

BACKGROUND

The Amenities committee was asked to spend money in the play equipment reserve. An inclusive roundabout had been agreed several years ago with funding received through the precept but the project had not progressed.

Quotes were obtained for the roundabout, an inclusive swing seat and surfacing repair work in the toddler's area.

The Amenities Committee voted to proceed with these projects using VitaPlay as the contractor and put a recommendation to Council that it be approved.

Area – Description of works	Proposal	Cost
Inclusive DDA Roundabout	 <p data-bbox="676 958 1278 1059">DDA specified 2m diameter for use for both disabled and abled, 830mm high, Colour different from image, 5 year warranty, BSEN1177</p>	£8,584.00
Inclusive DDA Swing seat	 <p data-bbox="676 1357 1254 1424">DDA specified 420 x 540 x 850mm, Warranty on swing to be confirmed</p>	£965.00
Repair of wetpour under seesaw and multiplay unit	Existing wetpour cut back 100mm over lay 20mm , 15 linear metres – 12 month warranty, in accordance with BSEN:1177	£1,469.100
	TOTAL Ex VAT	£11,018.10

Recommendation: Council proceeds with the improvements to the play area as outlined above.
