

## Charitable Facility for Haslemere

September 10<sup>th</sup> 2020

### Charitable Facility for Haslemere:

The Haslemere Penny Ha'penny Trust was set by Haslemere Town Council to serve and make grants for local organisations.

### Current Situation:

The major frontline organisations in town are expecting a serious demand for their services following COVID20 pandemic's effect on jobs, income, housing and basic household needs.

These organisations for example are currently likely to be:-

The CAB, 3 Counties Money Advice, Haslemere Foodbank and the Community Store.

### Charity Facility:

The charity is able to receive, hold and distribute funds to the above organisations and others that may arise by holding monies in a **"Restricted Fund"**. This means that that the Donor specifies the purpose of the grant or donation and the charity then has to use it for that purpose only. (It cannot be absorbed into the charities all-purpose account.). The Donor is entitled to ask for a report as to how this money has been distributed.

Applications for these monies will be controlled by specific request forms that can also be agreed jointly

HPHT can only make grants to organisations and not individuals.

### Personal Donations:

Individuals may also wish to contribute to this fund under the same terms but at the same time gain "Gift Aid".
