

Application to divert Public Footpath No 24.

Surrey County Council has received an application to divert Public Footpath No. 24 Haslemere. The proposed alternative route is shown on the accompanying plan (Drawing No. 3/1/20/H56) between points A– C.

The diversion has been applied for in the interests of the landowners, who have constructed a new farm access road to resolve problems with parking etc. on the existing access road, and avoid conflict with traffic to Deer Path Cottage.

The Council can make a diversion order if it is satisfied that the new path would be substantially as convenient as the old one. The Council must also consider the effect that the diversion would have on public enjoyment of the path as a whole. We would therefore like to obtain the views of the Parish council so that an informed decision can be taken on whether to proceed.

Committee please note this footpath can be found off Bunch Lane.
