43/20 Site at Andrews, Hindhead

Douglas Bond gave a presentation to the Committee about the proposal for a 76 bed care home on the Andrews site in Hindhead. The sole means of access would be off the Portsmouth Road. The care home would be for a high dependency patients and have a specific floor for dementia patients. This sits in use Class C2. Trees with protection orders would be retained and the street scene would be enhanced with additional planting. It is proposed to be 2.5 levels high which is consistent with the character of the surrounding area. The proposal would possibly free up C3 housing stock in the area and there would be significant economic benefit such as reduced NHS cost and the generation of an equivalent to 74 full time jobs. It would contribute to the Town's required housing numbers as it would equate to 44 houses. It was felt to be the only use of the land compatible with the SPA 400 meter buffer zone.

WA/2020/1048 Land co-ordinates 489444 132452 Hedgehog Lane, Haslemere

Ian Rhodes presented the application to the committee members. It concerns 16 properties, 5 self-build and 11 affordable homes. The applicant is proposing to gift the land to an independent Community Land Trust to ensure there is a bank of genuinely affordable homes available to essential key workers at fifty percent market value, and that they are available in perpetuity. After much discussion the committee agreed to offer no objection to this application.

WA/2020/1065 LAND AT 3 HAMPTON TERRACE, BEACON HILL ROAD, HINDHEAD

The committee discussed this application at length, in particular the issue with access between Beacon Hill Road and the WBC owned car park to the rear. The committee was advised there is a legal agreement in place that grants a right of way on foot only. Whilst this is not a material planning consideration it is acknowledged that this accessway is not compatible with motorised vehicles as it is too narrow. The committee agreed to object to this application on the following grounds:

- Loss of neighbour's amenity contrary to policy TD1 of Local Plan Part 1 and saved policy D1 & D4 of Local Plan 2002;
- Lack of amenity for the occupiers of the proposed dwelling contrary to TD1 of Local Plan Part 1 and saved policy D4 of the Local Plan 2002; and
- Overdevelopment of the site contrary to policy TD1 of Local Plan Part 1 and saved policies D1 & D4 of Local Plan Part 1 (2002).

WA/2020/1123 BAMBERS, GRAYSWOOD ROAD, HASLEMERE, GU27 2BW

The committee agreed to object to this application on the following grounds:

- The scale and mass of the proposed dwelling constitutes overdevelopment of the site contrary to policy TD1 of Local Plan Part 1 and saved policies D1 & D4 of Local Plan Part 1 (2002);
- Loss of amenity to the occupiers of Badgers and Bammers contrary to policy TD1 of Local Plan Part 1 and saved policy D1 & D4 of Local Plan 2002;
- The design is contrary to the Haslemere Design Statement.
