

HASLEMERE TOWN COUNCIL

Town Hall, High Street, Haslemere, Surrey GU27 2HG
01428 654305 / town.clerk@haslemeretc.org

Planning & Highways Committee

Minutes of the meeting held at 7pm on 10 September 2020
Via ZOOM

Chairman	Cllr Isherwood*
Vice Chairman	Cllr Weldon*
Councillors	Arrick, Barton*, Cole*, Davidson*, Dear*, Ellis*, Hewett*, Keen*, Lloyd*, Robini*, Round* and Whitby

**Present*

Meeting clerked by: Pippa Auger, Deputy Town Clerk.

In attendance: Charles Collins (Savills), Lesley Banfield (Haslemere Vision), Howard Brown (Haslemere South Residents Association) and Sarah Claridge (local resident) plus approximately 60 members of the public

51/20 Apologies for absence

The committee accepted the absences of Cllrs Arrick (work commitments) and Whitby (holiday)

52/20 Declarations of Pecuniary and Non-Pecuniary Interests

Cllrs Dear, Isherwood, Keen & Robini declared non-pecuniary interests as members of the WBC Southern Area Planning Committee. They all reserve the right to change the tone or content of their opinion when presented with further advice from WBC officers or other professionals.

Cllr Barton declared a non-pecuniary interest in WA/2020/1213 (as per attached appendix).

Cllr Ellis declared a non-pecuniary interest in WA/2020/1213 (as per attached appendix).

53/20 Minutes of the last meeting

The minutes of the meeting held on 13 August 2020 were agreed and signed as a true record.

54/20 Representations by the public

None

55/20 Planning decisions since August 2020 meeting and submitted to WBC

WA/2020/1213 LAND COORDINATES 490217 132204, SCOTLAND LANE, HASLEMERE

Charles Collins (Savills) spoke on behalf of the Applicant. He talked through the background to the application, setting out the planning context and overview of the promotion, including Local Plan Part 1 (strategic plan), Local Plan Part 2 (local allocations) and community engagement.

The proposal is for 50 homes with access from Scotland Lane. It is a mix of 1, 2, 3 & 4 bedroomed properties with private garden and amenity space and 15 affordable homes. The high-quality design respects the character of the area and exceeds local and national sustainability standards. There would be electronic charging points for all car parking and a local children's play area. Extensive open space would be retained and accessible to the public. There is a drainage strategy and water supply has been looked at following the issues with Thames Water this year.

Lesley Banfield (Haslemere Vision) spoke against the application, specifically inaccuracies Haslemere Vision felt were in the application. Policies in the emerging Local Plan Part 2 and Neighbourhood Plan are relevant as stated in the NPPF. Haslemere is on track to exceed delivery of its housing allocation and research indicates it could be built on brownfield sites. AGLV is a significant designation and WBC's adopted LPP1 recognises it as equivalent to AONB. The development would have a detrimental effect on the environment and landscape. The economic benefits are not significantly better than another location and the affordable housing provision meets the minimum requirement under WBC Local Plan Policy Part 1.

Howard Brown (Haslemere South Residents' Association) spoke against the application, stating it would compromise the outcome of the emerging Neighbourhood Plan. The proposal would displace wildlife and does not comply with NPPF paragraph 172 and 174. HTC declared a climate emergency in September 2019 and agreeing to the proposal would undermine that declaration. Sarah Claridge (local resident) spoke against the application in relation to transport issues.

There was lengthy discussion by Councillors about the application both for and against the application.

Cllr Dear proposed there be no objection to the application and this proposal was seconded by Cllr Isherwood.

Cllr Lloyd counter-proposed the committee should object to the application on the grounds that it would cause harm to the natural environment, it would destroy land designated as AGLV, it doesn't promote sustainable transport and concerns with building standards. This proposal was seconded by Cllr Robini.

Cllr Lloyd asked that the vote be recorded.

- 1) On the proposal of no objection to the application Cllrs Cole, Dear, Hewett, Round and Isherwood voted in favour with Cllrs Barton, Ellis, Keen, Lloyd, Robini & Weldon against.
- 2) On the counter proposal of objecting to the application Cllrs Barton, Ellis, Keen, Lloyd, Robini and Weldon voted in favour with Cllr Dear, Hewett and Round objecting. Cllrs Cole and Isherwood abstained.

The committee agreed, with two abstentions, to **object** to this application on the following grounds:

- It would cause great harm to the natural environment and biodiversity contrary to paragraphs 172, 174 & 175 of the NPPF, and policy NE1 of the Local Plan Part 1;
- It would be built on land designated as an Area of Great Landscape Value (given the same protection as Areas of Outstanding Natural Beauty under policy RE3 of Local Plan Part 1) contrary to paragraph 172 of the NPPF;
- There were concerns it could not support sustainable transport and would only add to traffic congestion around the location. Walking distances to the centre of town were viewed as overly optimistic and did not consider the gradient of the hill on the walk back to the development from either the town centre or train station. This is contrary to paragraph 102 of the NPPF and ST1 of the Local Plan Part 1; and
- Whilst the building standards are stated to meet a rating of 4 stars out 6 under the Code for Sustainable Homes, it is an old standard which was started in 2006 and discontinued by the Government in 2015. If building is going to take place on AGLV/AONB land it should meet a higher, more exacting build standard.

57/20 Decisions and Appeals

The list was noted.

58/20 Highways Update

Cllr Isherwood advised members that the Tilford Bridge will reopen from 22 October 2020.

Cllr Barton updated the committee on the pelican crossing and footpath upgrade at Woolmer Hill School, she is not pursuing the schemes put forward under the Surrey Active Travel plan and instead will concentrate on increasing the network of cycle paths and walking routes in the quieter roads. The tactile paving project in the high street has finished and she is waiting to hear from SSE about them returning to clean windows following the works on Lower Street.

59/20 Next meeting

8th October 2020

Meeting closed at 8.49pm
