7/19 GRANT APPLICATIONS FOR CONSIDERATION

1) HASLEMERE YOUTH HUB (£720 towards refurbishment of the sports hall floor)

Jim Edwards, one of the Trustees of the Haslemere Youth Hub, attended and gave a brief outline of the current situation. The building was owned by WBC and has been leased to Haslemere Youth Hub on a commercial basis with an annual rent of £21,000. Utilities and insurance have to be paid on top of the rent. It is to be used for the youth of Haslemere to provide a space for them to come and relax, get involved in activities and use the coffee shop.

There was discussion about the finances of the charity and Mr Edwards answered questions from Members on finance and fundraising etc. There was concern that there was a shortfall in income and expenditure but Mr Edwards pointed out that the income from the coffee shop has not been taken into consideration in the projections and that community support and funding is going to be needed until the project is up and running. Volunteers and donations have already contributed to positive material repairs to the building.

Cllr Round proposed that the grant of £720 be awarded and that Full Council should consider giving money for revenue purposes in the next budget round.

RESOLVED: That the grant of £720 be awarded.

RESOLVED: That an item be taken to Full Council in July 2019 to add a budget line for Haslemere Youth Hub for consideration in next year's budget round.
