37/21 CLERK'S REPORT

Noted.

By way of update, the Finance & Governance Committee have asked the Amenities Committee to let the Budget Working Party exactly what they need for next year, as money in the Ear Marked Reserve may be put towards other projects if it is not needed. Deputy Town Clerk is arranging for a maintenance and service inspection to be undertaken at the end of the month, which will include quotes for various items.

ACTION: Deputy Town Clerk to report back to the Chairman.

By way of further update, Deputy Town Clerk advised that Sturt Road inspections have now been completed. There are several plot holders who have done very little by way of cultivation this growing season and/or have inherited very overgrown plots but have not got to grips with them within a reasonable time.

ACTION: Deputy Town Clerk to write to various plot holders on all sites, giving them until end March to get the plots up to scratch and, in due course, fully planted up for the growing season. If anyone needs to be written to again next year, they will be given notice straightaway.

38/21 DEER FENCING CLAMMER HILL ALLOTMENT

After much discussion, Cllr Dear proposed the committee proceed with Option 1 and Cllr Keen seconded the proposal. The committee voted in favour of the proposal, with 2 abstentions.

ACTION: Deputy Town Clerk to obtain quotes and put the following recommendation to Full Council
