Town Hall, High Street, Haslemere, Surrey GU27 2HG

Insurance Renewal 2022 – report to Council

The Town Council's insurance expires on 1st April 2022. The Town Clerk has sought quotes from three insurance providers specialising in Town and Parish insurance, including Zurich (the Council's current supplier).

Council normally fixes its insurance for a three year period as the premiums for doing so are reduced. No all suppliers quoted for separate 1 and 3 year terms, this is clear in the table below All those providers who quoted were given the Council's current insurance schedule and asked to quote on a like for like basis.

Company	1 year	3 years (total premium)
BHIB	£3,477.02	£10,431.06
Gallagher	£5873.16	£17,619.48
Zurich	£3214.80	£8,863.44

Zurich has been the Council's insurer for the last 6 years and the Clerk has found them very good to work with, especially when dealing with insurance claims that have arisen.

RECOMMENDED: that the Clerk is instructed to renew the Council's insurance with Zurich, for a period of 3 years starting 1 April 2022, at a premium of £3214.80 per year.
