CR/2021/0004 CHAPMAN HOUSE, MEADWAY, HASLEMERE

The committee discussed this application at length. There were concerns that the number of parking spaces did not meet the Waverley Borough Council guidelines of 2013, in that 14 spaces were proposed instead of a minimum of 9. They were also concerned about loss of privacy to neighbours, the cramped layout of the flats and potential light pollution.

Whilst the committee agreed that Haslemere needs smaller, more affordable housing and that it would like to see Chapman House developed into residential dwellings this proposal was not the right one.

The committee agreed to **object** to this application on the following grounds:

- Lack of parking contrary to Waverley Borough Council’s parking guidelines 2013;
- There will be loss of general amenity contrary to policy TD1 of the Local Plan Part 1 and retained policies D1 & D4 of the Local Plan 2002, including the privacy of neighbours and disturbance resulting from the emission of light through the retention of large windows; and
- It has concerns that it fails to provide a suitable standard of accommodation and amenity space to future occupiers contrary to policy TD1 of the Local Plan Part 1 and retained policies D1 & D4 of the Local Plan 2002.

WA/2021/0167 BUILDING 3, QUAIL HOUSE FARM, HYDE LANE

A previous application to change the use to class B1 (light industrial) was refused by WBC in 1999 and it should be consistent that this application be refused, as use class B8 would be more detrimental to the site. The committee agreed to **object** to this application:

- WBC have previously refused an application for the continued use of a redundant neighbouring agricultural building for B1 (light industrial) purposes;
- The building sits within the Green Belt and is agricultural. Changing the use will adversely affect the character of the area and no special circumstances have been demonstrated which would outweigh the harm done (RE2 Local Plan Part 1); and
- The building is accessed via an unmade single track off Hyde Lane which is also a narrow, single-track road. The unmade track would not support the increased use by commercial vehicles, causing an unacceptable impact on road safety contrary to policy ST1 of the Local Plan Part 1.

WA/2021/0200 BEECH COTTAGE, FARNHAM LANE, HASLEMERE

The committee reviewed this application and felt that no very special circumstances have been demonstrated to exist for such alterations to be allowed. It agreed to **object** to the application on the grounds that:

- it is inappropriate development in the Green Belt, contrary to policy RE2 of the Local Plan Part 1; and
- it constitutes overdevelopment of the site contrary to TD1 of the Local Plan Part 1.
