### PROJECT DETAILS

Name of Project	Hindhead Playing Fields Pavilion Renovation
What aspect of the project will grant money be used for. <b>Please be as specific as possible.</b> <sup>2</sup>	Currently the stairs and balcony of the pavilion are in a poor state of repair, are rotten and need replacing. Whilst doing these works, we are also taking the opportunity to improve the layout of the pavilion to create a larger space in the bar area, and also a larger balcony area for the community to use. We have engaged with a local architect who has created designs for the project, which we feel will have a real benefit to increase the number of users of the site both for sporting and recreational purposes. We have enclosed designs of the proposed development.
What benefits for the Haslemere community do you expect will result from the project? <sup>3</sup>	Four sports clubs use the site, all of whom will benefit from these improvements. Beacon Hill Football Club, who have around 420 junior players, Hindhead Cricket Club, with one senior team, Churt Cricket Club with one senior team, and Beacon Hill Snr FC with 2 senior teams and a Vets team. The improvements will allow for increased usage for all clubs and will provide a great facility for members of the local village community to visit and watch some local sport, whilst supporting the member clubs. All clubs play in local leagues, and as such are visited by a high number of other clubs from the local area, who will also benefit from these improvements. The balcony also provides the only way into the pavilion, in which are located the ladies toilets, so without these improvements the flourishing girls section (120 and growing) of Beacon Hill FC may not be able to continue to grow. Since the original application for the small Grant for this project the Football club has added another 70 members to the club from age 5 to 45!
