WA/2021/02237 Land at Trimmers Field, Wood Road, Hindhead

- The proposal, by reason of its cramped and crowded layout, would result in overdevelopment of the site which would be out of keeping with the character of the area contrary to policy TD1 of Local Plan Part 1, D1 & D4 of the Local Plan 2002.
- In the Access Assessment, Vision Transport Planning state that the existing shared private drive would be widened in order to “accommodate simultaneous entry and exit at the junction with Wood Road (which cannot be currently accommodated)”. The Directors of the Management Company who look after the access driveway, state in their letter of objection that there are numerous issues to address in relation to this proposal.
- Regardless, the increase in vehicular traffic using the drive will impact on the amenity of existing users contrary to para 108 of the NPPF and policy ST1 of the Local Plan Part 1.
