### WA/2023/00589 STURT FARM BARN, STURT ROAD, HASLEMERE, GU27 3SE

Vikki Ames spoke against the application:-

- The reasons for refusal of the 6 houses (WA/2022/00281) refused Jan 2023 remain the same
- Sturt Farm grade II listed building & Sturt Farm Barn listed as building of merit
- Site designated AGLV and countryside beyond the green belt.
- Haslemere Neighbourhood Plan policy 11 designates the area as a green space
- Risk of flooding has increased, Sturt Avenue already floods regularly. Water issues from completed developments (Sturt Farm & Red Court) are yet to be full understood.
- The farm and buildings were listed in 1973 and since then individual planning applications have gradually harmed the listed setting and Area of Great Landscape Value

Ryan Snow spoke on behalf of the applicant:

- The committee supported the previous application and this is an improved scheme so we hope they will continue their support.
- The site is surrounded on all sides by residential development. It is adjacent to the development of 132 dwellings at Sturt Farm and is not a valued landscape or open space. Surrey Hills AONB Adviser has confirmed he raises no objection to this scheme.
- Waverley do not have a Five year Housing Land Supply and this site is far more sustainable than other sites Waverley are currently considering – sites in the local area such as Scotland Park and The Royal School. It is sites like this that we should be supporting.
- The current proposal, unlike the previous scheme, has been designed with a comprehensive Landscape and Ecological Management Plan which will bring about a biodiversity net gain on site.
- The flood risk could be mitigated and managed by conditions set by Waverley.

The committee discussed this application at length. Since it had offered no objection to the original 6 dwelling scheme, flooding due to surface run off had become a significant problem affecting particularly the residents in neighbouring parish of Linchmere and the River Wey has been polluted by foul water. The committee also felt the applicant had not addressed the reasons for refusal by the Waverley Borough Council planning officers.

Members voted to **object** on the following grounds:

- Concerns about flooding and water infiltration onto the flood plain contrary to policy CC4 of the Local Plan Part 1;
- The applicant has not overcome the issues raised by WBC planning officers, namely harm to the building of Local Merit and Grade II listed buildings contrary to HA1, RE1 & RE3 of the Local Plan Part 1; and
- Overdevelopment of the site contrary to H6 of the Haslemere Neighbourhood Plan, and TD1 of the Local Plan Part 1.

### WA/2023/00479 LAND AT 76 WEY HILL HASLEMERE GU27 1HN

The committee discussed the pros and cons of this application. It is in a sustainable location and building at a density set out in the Haslemere Neighbourhood Plan. Precedent has already been set for development behind the line of commercial buildings. However, it appears to be an overly cramped and contrived development which has the potential of overlooking neighbours. The access to and from the site is narrow and very close to a pedestrian crossing. On balance, the committee voted to **object** on the following grounds:

- The narrow access to and from the site does not contribute to the safety of pedestrians, and road users contrary to policy TD1 of the Local Plan Part 1 and H7 of the Haslemere Neighbourhood Plan.

**WA/2023/00469 GEMINI CHAPEL, 2A KINGS ROAD, HASLEMERE, GU27 2QA**

Having reviewed the application, the committee voted to offer **no objection**.

**WA/2023/00560 CHAPMAN HOUSE, MEADWAY, HASLEMERE, GU27 1NN**

Whilst it was recognised that a previous application had been allowed on appeal (WA/2021/02448), overall committee members felt that the scheme amounted to overdevelopment, and it was out of keeping with the residential street scene. The committee voted to **object** to this application on the following grounds:

- Overdevelopment of the site, and its overbearing impact would harm the residential amenity of the neighbours contrary to policy TD1 of the Local Plan Part 1 and H6 of the Haslemere Neighbourhood Plan; and
- It is also out of keeping with the character of the area contrary to policy TD1 of the Local Plan Part 1 and H6 of the Haslemere Neighbourhood Plan.

**WA/2023/00554 ROYAL OAK, CRITCHMERE HILL, HASLEMERE, GU27 1LS**

Having reviewed the application, the committee voted to offer **no objection**.

**WA/2022/01887 LAND CENTRED COORDINATES 489803 131978, MIDHURST ROAD, HASLEMERE**

The committee voted to confirm that their original **objection** still stands.

**WA/2023/00682 1 & 2 LONGDENE COTTAGES, HEDGEHOG LANE, HASLEMERE, GU27 2PH**

Having reviewed the application, the committee voted to offer **no objection**.

**WA/2021/01302 4 PINE BANK, HINDHEAD, GU26 6SR**

Having reviewed the application, the committee voted to offer **no objection** subject to officer's approval as it had a few concerns around the finish of the brick.
