Dear Sir/madam

Ref article in today's "Haslemere Herald" requesting ideas for use of CIL funding may I suggest you start at ground level, literally, and that means repairing potholes and doing the job *properly*. Appreciating that this is nominally a county council responsibility, can you not allocate some of the funds towards working in partnership with Surrey CC for this purpose. Such a move would not only be welcomed by many road users in the locality but also help galvanise the county council towards to making semi-permanent pothole repairs rather than doing just temporary patchwork.

Yours faithfully

[REDACTED] [REDACTED] (Mr)
