

Mayor's report to Council November 2022

I have to report that over the last few weeks I have had a varied and enjoyable time, visiting a plethora of events. A number of events stand out, such as Haslemere sports awards, where I admired the commitment of the young athletes. Charity events included the Hens auction, which John acquired a garden hen to look over our greenhouse, cards for good causes where I thanked all the volunteers, then the launch of the Lions appeal asking for unwanted winter fuel money which was then given to those less fortunate.

I was proud to attend the RBL launch in Pirbright. This was a very emotional service. On a lighter note I enjoyed a musical at Haslemere Hall put on by the Haslemere players. I also had great fun walking down the High Street with a lot of children dressed in their Halloween costumes.

And finally, I was very proud to attend our Fire Station where Peter Davies was retiring after completing 30 years of service to our Town. The Fire Officer is very keen to recruit extra full time firemen.
