**WA/2023/02761 LAND KNOWN AS NICOLS FIELD, CHURT RD, HINDHEAD**

Whilst the committee offered **no objection** to this application it offered the following comments:

- It supports the implementation of allotments on the site
- It would like for issues raised by Surrey Highways to be resolved before permission is granted, and will be writing to the local County Councillor to ask that 30mph speed limit is implemented in the stretch of road on which the entrance is situated.
- The town council will be renewing its request to the land agent to manage any allotments they may install.

**6/24 HTC representation at Waverley Planning Committee**

None

**7/24 Decisions and Appeals**

The list was noted.

**8/24 Highways Update**

Cllr Robini has passed all issues raised by the committee to the Highways officer and is awaiting a response.

Cllr Carter said that drains in Hindhead had once again not been cleared causing issues with standing water on the roads. This was especially bad at the mini roundabout near the old telephone exchange. The Clerk will report this to Highways (cc County Cllr Robini) once Cllr Carter has identified the drain.

Cllr Weldon reported that a quote had been received by Cllr Robini for the footpath alongside the Health Centre (circa £45k). Funding was now being confirmed, the HTC CiL committee has committed the funds but alternative funding sources are also being considered.
