If the organisation is not in the public sector please provide details of the organisation's finances Please include a copy of the most recently audited accounts, including details of unrestricted reserves	I have attached the most recent bank statement, financial report and profit and loss sheet.

PROJECT DETAILS

7. Location of project	Haslemere Leisure Centre, Kings Road, GU27 2QT

8. Summary of the project proposal	Please see the attached letter. Some support with core costs such as lane high that has increased 8% since the new operator of the pool and increased swim teacher fees since they have raised hourly rates of pay. The committee has put in place many, many things to try and reduce costs and raise revenue whilst ensuring the club maintains affordable lessons and competitive swimming training to all in our local community.
9. How does the project help address the demands of development in the area. What evidence is there to support this?	The club has swimmers from all the schools in the surrounding areas, has over subscribed places for lessons and offers a masters programme. The club holds regular trial nights and is now got greater than ever numbers in all but one competitive squad.
10. What evidence is there of support from the community	Last year HSC ran a campaign to raise money for new safer diving blocks. As part of the campaign, we ran a crowdfunding campaign. We were overwhelmed with the support from local business' who gave donations in the form of meals, vouchers, and services that we could 'sell' to raise money. The support from our local community was incredible, helped raise the profile of the Swimming Club and brought our swimming community closer together. The club now has more volunteers, members and adult members than ever before.
11. Proposed timescales for the project, to include any deadline or circumstance which would require funding within a specific period of time	We would be grateful for some support with lane hire costs that have risen 8%. We have applied to become a Community Amateur Sports Association to claim gift aid, but this has taken far longer than expected. The next competition galas we run we are working towards running independently now we have more trained officials and willing volunteers, thus decreasing shared profits. We are, as seen in our letter attached, working exceptionally hard to become more viable, but some immediate support would be invaluable.
12. Do you need planning permission to carry out the works?	No

13. If planning permission is required is it in place to carry out the works?		
If so, please provide the application number

Dear Haslemere Town Council,

I am writing as a representative of Haslemere Swimming Club. As you may know, we are small swimming club who swim predominantly out of the Haslemere Leisure Centre, Kings Road. We are an important part of the Haslemere community and have provided swimming lessons and competitive swimming for over 50 years. Our Academy currently runs lessons from four upwards to over 160 swimmers on Saturday evenings. Our competitive squad of 124 swimmers compete at local, county, regional and national events. Whilst we pride ourselves on offering swimming for everyone, we achieve great success, with swimmers reaching national and British standards. We currently have four part time coaches and 12 swimming instructors and work with a volunteer committee.

I am writing to ask for some basic core cost support at this exceptionally challenging time. Recovering from the pandemic, rising running costs, increased salaries and the cost-of-living crisis affecting swimmer numbers have all impacted, and continue to impact us, significantly. The reduced income over the pandemic ate significantly into reserves, a change in operator at our pool resulting in 8% higher lane costs, reduced swimmer numbers and reduced entrants to galas are just some of the areas we are battling with.

The new post pandemic committee is doing everything in its power to cut operating costs as significantly as possible. We had incredible support from our local community to purchase safer diving blocks which are slowly making our galas more desirable to outside clubs. We have applied to become a Community Amateur Sports Association to claim gift aid, have cut lane hire as much as we can, and looked at all other operating costs. We are working exceptionally hard to make our galas more profitable which are an important revenue stream for the club. Raising the fees significantly has really been the last option as we offer swimming to such a vast network of children who we want to continue to continue to access the swimming opportunities. We have arranged several socials, cake sales and fundraising activities to support the club.

We currently have just over £1500 in the bank, this allows us to continue as a club for three more months. I write this letter in the hope you are willing to grant us some funds to help ease the financial pressure whilst the efforts to generate more income and lower running costs show some effect. Please consider supporting us to continue to support the 284 swimmers we currently have and the continuation of a Haslemere Swimming Club for future generations.

I have attached our most recent Financial Reports and a recent bank statement for your reference. If you wish to discuss this further or have any questions, please do not hesitate to contact me.

Best wishes,

Interest

Credit interest is calculated daily on the cleared credit balance on your account and paid monthly.

Debit interest is calculated daily on any outstanding overdrawn balance on your account and is charged monthly in arrears.

Using a Debit Card abroad

When you use a Debit Card abroad, this statement will show where the transaction took place, the amount spent in local currency and converted into GBP.

Exchange Rate: Unless you have agreed a different rate (for example, using one of our self-service machines) the exchange rate that applies to any non-GBP Debit Card payments is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

Details of the current VISA Payment Scheme Exchange Rate can be obtained from www.visaeurope.com/en/cardholders/exchange-rates.aspx or by calling us.

Fee for non-GBP transactions: We charge a fee of 2.75% of the amount of the transaction.

Additional fee for non-GBP cash machine withdrawals: If you withdraw cash in a foreign currency, we will charge a fee of 1.5% (minimum £1.75) in addition to the fee for non-GBP transactions.

We will make the conversion and deduct any fees from your account once we receive details of the payment from VISA. We will do this at the latest on the next working day.

Some cash machine operators may also deduct a charge for withdrawals from their cash machines. If they do, they will show you the charge on screen.

Lost and stolen cards

Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

The Financial Ombudsman Service does not apply to customers of our branches in the Channel Islands and Isle of Man, but you could be entitled to refer your complaint to the Financial Services Commissions in Jersey or Guernsey or the Financial Services Ombudsman Scheme in the Isle of Man. Please contact your branch for further details.
