INTRODUCTION

This plan has been initiated by Haslemere Town Council in consultation with Waverley Borough Council and taking account of Surrey County Council's Local Resilience Forum. In the event of an emergency occurring that impacts the Town Council area, there is clear understanding of the roles and responsibilities of the various support agencies, and any support Haslemere Town Council can offer. The plan also provides a communication cascade for information and potential assistance with recovery. It must be remembered that the first line of response must be from professional responders, depending on the emergency. **If there is any risk to life at all Contact 999.**

WHAT IS AN EMERGENCY?

The formal definition of an emergency in line with Civil Contingencies Act (2004) "an event or situation which threatens serious damage to human welfare, an event or situation which threatens serious damage to the environment."

THE AIM AND OBJECTIVES OF THE PLAN

The plan has been designed to enable Haslemere Town Council to identify immediate actions which it must consider during an emergency. It provides a framework for assisting in the local response to an emergency, and aiding the continuation of local services. The objectives are:

- Providing a statement of the risks to the community and relevant response actions;
- Providing a framework to access local knowledge and expertise;
- Providing a framework to relay information and instructions to the local community; and
- Prioritising the availability of Council owned assets, including the Town Council Offices, for support during an emergency.

ROLES AND RESPONSIBILITIES OF HASLEMERE TOWN COUNCIL

Haslemere Town Council has no official role in respect of emergencies however it will be subject to public expectations as a community leader and owner of assets across the Town Council area. It may contribute to emergency response through assisting with:

- The dissemination of agreed warning and informing messages;
- The identification of vulnerable groups – e.g. elderly or disabled, where applicable;
- The distribution of emergency equipment from borough or county council stock piles, where applicable;
- The passing of information regarding local issues and needs to key responders, via the Borough Council.

TOWN COUNCIL EMERGENCY COMMITTEE

Town Mayor, Town Clerk, Chair of Amenities committee

The committee will:

- Establish a communications link with the Waverley Borough Council's Emergency Planning Team and other Category One Responders as required.
- Assess what Town Council resources may assist responders in dealing with an emergency or incident.
- Agree the strategic response of Haslemere Town Council to any emergency or incident.
- Authorise any expenditure that may need to be incurred in dealing with the emergency or incident.

TOWN COUNCIL EMERGENCY PLAN COORDINATORS

Deputy Town Clerk, Support Services Officer, Office Administrator, Project & Amenities Officer

The town hall officers will:

- Receive strategic direction from the Emergency Committee and put an agreed response into operation
- Assist with the dissemination of warning and informative messages as directed by the Emergency Committee
- Following any emergency or incident assess and feedback the impact on the local community where possible
- To recruit suitable volunteers from local community to be trained as community emergency wardens.
- To liaise with Waverley Borough Council's Emergency Planning Team (both in terms of planning for and training for incidents)

TOWN COUNCILLORS

In the event of an emergency, Town Councillors will be expected to:

- Receive and disseminate warning and informing messages as directed by the Emergency Committee or Emergency Plan Coordinators
- Assist the Emergency Plan Coordinators to identify suitable volunteers to be trained as community emergency wardens
- Be responsible for supporting vulnerable people in their wards as necessary.

TOWN COUNCIL EMERGENCY CONTROL CENTRE

The Town Hall, High Street, Haslemere, Surrey GU27 2HG – Tel no: 01428 654305.

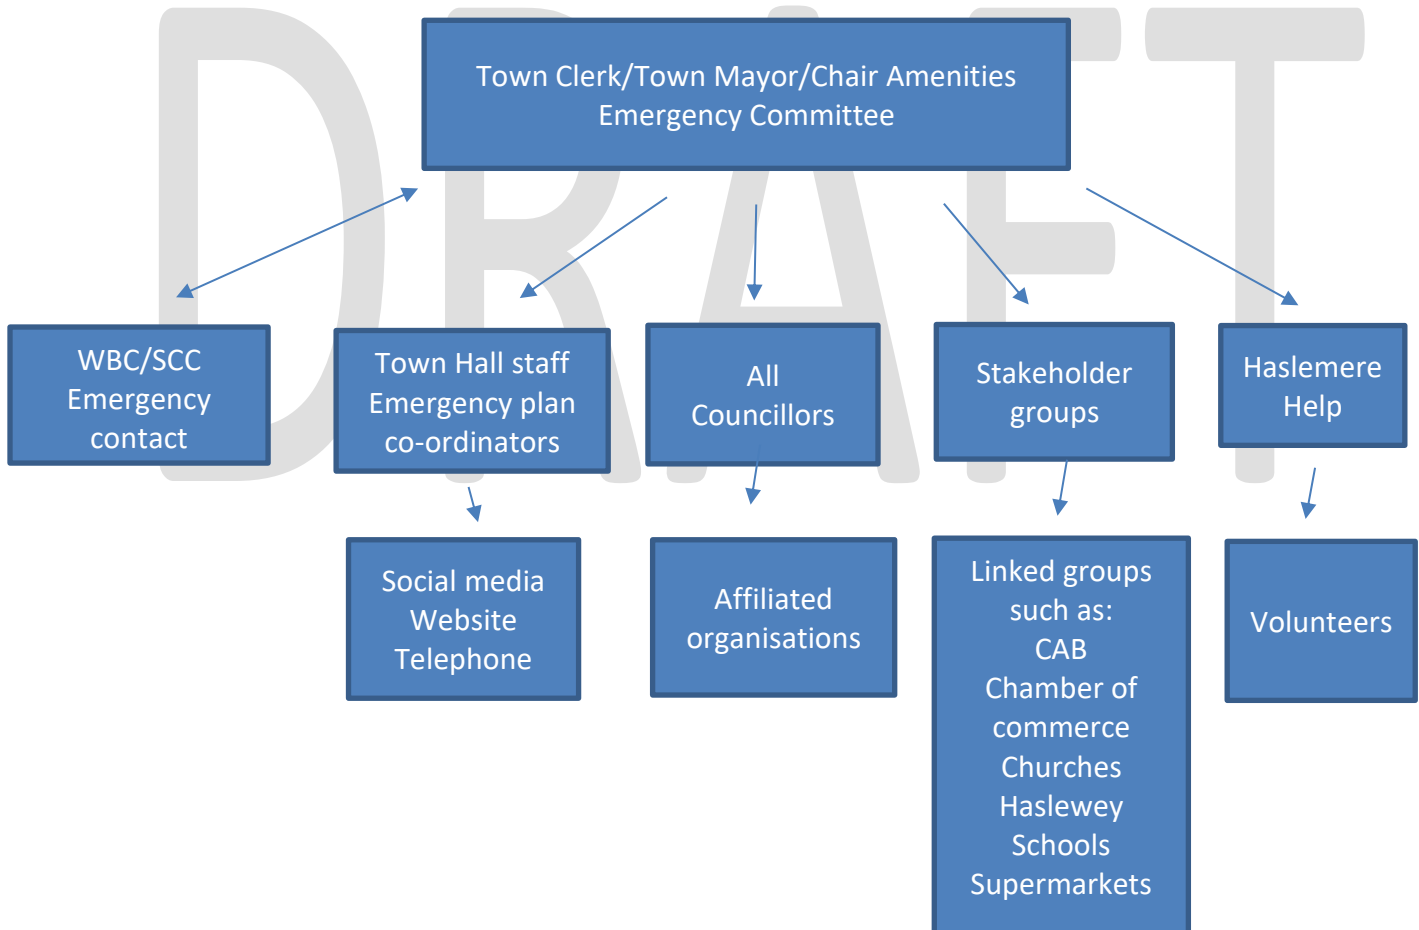

Key Holders: Town Clerk, Deputy Town Clerk, Administrator and Project & Amenities Officer

In the event that the Town Hall cannot be accessed the Emergency Committee will identify another suitable venue and this information will be disseminated to all relevant parties and on the Council's website.

TOWN COUNCIL RESPONSE ACTION and ACTIVATION ARRANGEMENTS

- The Emergency Duty Officer or Senior Manager at WBC will contact the Haslemere Town Clerk in the first instance who will assess the situation and decide whether to activate the Haslemere Town Council Emergency Committee
- Depending on the nature of the emergency or incident, the Town Council Communication Cascade will be used by telephone or email as required
- In an emergency the Town Council will call for citizens and equipment that might be able to help in an emergency, such as
 - Human skills (doctors, nurses, HGV drivers)
 - Materials (heavy plant, tractors, trailers and generators)
 - Useful premises (commercial accommodation, barns and outbuildings).

RESPONSIBILITIES IN AN EMERGENCY

The Civil Contingencies Act assigned responsibilities to different authorities in the event of an emergency.

Haslemere Town Council is not a Category One or Category Two responder but is expected to provide a support role for the responders and be a point of contact and advice for members of the public.

Category One Responders: Police, Surrey Fire and Rescue Service, South East Coast Ambulance Service, British Transport Police, County and Borough Councils, NHS England, UK Health Security Agency and the Environment Agency.

They are required to:

- Assess the risk of emergencies occurring and use this information to inform contingency planning.
- Put in place emergency plans and business continuity management arrangements.
- Put in place arrangements to make information available to the public about civil protection matters and maintain arrangements to warn, inform and advise the public in the event of an emergency.
- Share information and co-operate with other local responders to enhance co-ordination and efficiency.
- Provide advice and assistance to businesses and voluntary organisations about business continuity management (local authorities only).

Category two responders are: Met Office, National Highways, Clinical Commissioning Groups, Utility providers, Network Rail, Train operating companies, Airport operators, Transport for London, Highways England and the Health and Safety Executive, utility companies.

Surrey's Local Resilience Forum works in partnership with the Emergency services, WBC, NHS England and the Environment Agency, and is supported by Category Two responders in order to provide a co-ordinated response to major incidents. The county and borough councils have specific responsibilities, which include establishing emergency centres, providing temporary accommodation for those made homeless and managing the longer-term recovery phase. These will be supported by Haslemere Town Council.

- Make sure all personnel involved in the rescue work are safe.
- Gather information and carry out hazard assessments.
- Help ambulance service get live casualties away from the scene.
- Help police recover bodies.
- Restore stability with the aim of restoring normality.

Ambulance Service

The Ambulance Service is responsible for treating casualties and taking them to hospital. They:

- Inform other emergency services about the incident.
- Provide a focal point for all medical resources.
- Identify and contact the appropriate receiving hospitals.
- Set up a casualty clearing station.
- Prioritise casualties so that their injuries can be treated.
- Prioritise which casualties must be evacuated using appropriate transport.
- Restore stability with the aim of restoring normality

CATEGORY ONE RESPONDERS (OTHER)

Surrey County Council

- Co-ordinating and/or supporting role for emergencies in own area.
- Help people in distress e.g. through the provision of a trauma support service.
- Maintain safe conditions on the roads excluding those managed by the Highways Agency or private roads, to include flood warnings on the highway and organising road closures/traffic diversions.
- May take action to protect property from flooding by water from the highway where there is a failure of the highway drainage system.

RESOURCES TO HELP RESIDENTS PLAN AND RESPOND

Surrey Be Prepared

Surrey County Council has provided some guidance on how to prepare yourself for an emergency. Details of this can be found at:

<https://www.surreycc.gov.uk/people-and-community/emergency-planning-and-community-safety/emergency-planning/prepare-for-emergencies>

COMMUNICATIONS

If telephone landlines are affected by the emergency any alternative communications within the community should be considered including the use of mobile phones, amateur radio operators, monitoring local or national radio, and TV Channels.

Once the Town Emergency Centre is manned then consider maintaining a listening watch on local and national radio and television channels for information.

GO IN, STAY IN, TUNE IN,

The GO IN – STAY IN – TUNE IN advice is recognised and used around the world. It was developed by the independent National Steering Committee as being the best general advice to give people caught up in most emergencies. There is an agreement with radio and TV companies that if there is a major emergency they will interrupt programming to give public safety advice and information about the incident, so that when you tune in locally or nationally anywhere in the UK you will get the advice you need.

On present planning, Centres will be staffed by members of Waverley Borough Council, Surrey County Council, and voluntary organisations such as the Red Cross. Waverley Borough Council, will look to ensure the following resources are provided:- Camp Beds, Blankets, First aid equipment, Radio, Space heaters, Crockery, Toilet, Cutlery, Waste disposal bags, Bottled water and food, Care of pets.

HASLEMERE EMERGENCY SNOW PLAN

Priority 1 roads —————

Priority 1 roads are the most important roads in terms of the volume of traffic carried, and are the first to be treated in advance of any forecast frost, ice or snow. Priority 1 roads include:

- all A roads, B roads and roads carrying more than 8,000 vehicles per day
- main access routes to hospitals
- major bus routes
- roads that link salting routes with those of adjoining counties
- any priority 2 road which meets three or more of the criteria for priority 2 roads.

Priority 2 roads —————

During periods of prolonged and persistent frost, ice or snow, we extend salting to include these roads, but only once priority 1 roads have been cleared. Priority 2 roads include:

- roads carrying more than 4,000 vehicles per day
- main access routes to important industrial areas and secondary education establishments
- single access points to villages
- access roads leading to railway stations
- roads used by other bus routes and depots
- steep hazardous gradients and on bridges where local icing conditions are known to occur.

Any other road not indicated by a blue or red line is not part of SCC's routine gritting schedule. These roads will have to make their own arrangements for gritting and snow clearance.
