

# HASLEMERE TOWN COUNCIL

## HASLEMERE TOWN MEMORIAL GREEN FLAGPOLE

### BACKGROUND

- The current flagpole is a 2 piece pole, which separates in the middle, and has an external halyard.
- The bolts joining the 2 pieces have rusted so badly they cannot be removed and the halyard is fraying badly which has caused it to jam at the top pulley several times (the most recent at a Remembrance Sunday service).
- It has been suggested a new 8-meter-tall fibreglass flagpole in installed, with a hinged base and an internal halyard.
- It would have a tamperproof access hatch for operational and weather protection purposes.
- We have obtained three quotes to supply, deliver and install a new flagpole.
- The groundwork to install the hinge base is expensive if done by the flagpole suppliers, so a separate quote for installation has been obtained from Commercial Grounds Care.

SUPPLIER	SUPPLY & DELIVERY (EX VAT)	INSTALL (EX VAT)
Hampshire Flag Co.	£840.95	£560.00
Harrison Flagpoles.	£935.00	£515.00
Borney Flagpoles UK.	£2,665.80	£473.00
Commercial Grounds Care	£0.00	£160.00

**RECOMMENDATION:** The Hampshire Flag Company is instructed to supply & deliver the flagpole, and Commercial Grounds Care install the base. Payment to come from the capital expenditure budget, and balance from the capital expenditure ear marked reserve.

**TOTAL COST:**

Hampshire Flag Co:	£840.95
Commercial Grounds Care:	£160.00
<b>Total</b>	<b>£1,000.95</b>
