The list was noted.

68/23 Highways Update

Cllr Carter raised the following highways issues that he would like raised with Surrey Highways.

1. Petition for 30ph for the A287 Beacon Hill Village between Hillgarth and Hindhead Gold Club. It is the only village between Haslemere and Farnham with a 40mph limit, everywhere else is 30mph. There are no safe places for residents to cross the road when alighting from the bust stop on the Farnham side of the

AW 23/6

A287. There have been several incidents of near misses by golf club members who have reported turning onto the A287 to find drivers overtaking cars at speed. Local residents are going to present a petition to the Town Council at which time it was agreed that the Council would write to Surrey Highways to pursue this issue.

2. The Road drains on the A287 between Hillgarth and The Beacon Hill village are 90% blocked causing a river of water by Woodcock Green and a hazard to cyclists. Cllr Carter has reported them all to Surrey Highways via their website reporting function.

ACTION: Clerk to compile a list of reported incidents to enable our Surrey County Councillors to chase up the SCC officers.

ACTION: Cllrs to either report direct and pass automated response to Clerk to log, or send photos and details for Clerk to report and log.

3. The surface of the Old Portsmouth Road junction of South of Hazel Grove Roundabout is now impassable to cyclists and a hazard to cars.

ACTION: Clerk to write to Cllrs Harmer and Robini as this area is on the edge of both Waverley Western Villages and Haslemere divisions.
