

## HASLEMERE TOWN COUNCIL

### REPLACEMENT BENCH AT THE GRAYSWOOD ROAD JUNCTION BY BEECH ROAD

#### BACKGROUND

- In winter 2022/2023 the bench by the bus stop at this location was crashed into and badly damaged. The bench was removed from site but we do not know by whom.
- We have received a number of requests to replace the bench by local residents who use the bus stop.
- Martin will install the bench

#### CONCERNS

The residents of the house immediately behind where the bench will be located have planted new hedging. However, we have made contact with them and they have no issue with a new bench being installed.

#### QUOTES SOUGHT

Earth Anchors who was the manufacturer of the original bench.

SUPPLIER	QUOTE (EX VAT)
Earth Anchors	£399.00 – Bench £69.00 – Fitting Kit  <b>Total £468.00</b>

**RECOMMENDATION:** That a replacement bench and fitting kit is bought using money from the Haslemere Community Fund budget
