

# HASLEMERE TOWN COUNCIL

## Chairs report

### 1. Kitchen window at the Town Hall

This has now been replaced by Neil White Joinery and looks fantastic.

### 2. Zip wire resurface

This work has been completed. Picture below. Playsafe of Midhurst did a fantastic job and really minimised the amount of damage to the grass, which they have re-seeded where needed.

### 3. Town Meadow drainage

Martin continues to meet with contractors to discuss this project now that it has been published on the Government contract finder website.
