Dear Piers,

As per our earlier conversation, I am writing to confirm that at its meeting last Thursday, Council agreed to award the contract for the public toilets on Lion Green to Healthmatic, in accordance with your tender submission.

We spoke this morning and my understanding is that the basic timeline is as follows:

- Exchange contracts - you will provide me with your standard T&Cs. Both
- Complete planning drawings (in the next week). Healthmatic
- Notify nearby businesses. HTC
- Apply for Planning permission. HTC
- Agree detailed design and specifications. Both

The above will take approx 15 weeks.

- Building work starts - approx 12 weeks.

We are working to have the project completed by Friday 24th March as the Council will go into a period of 'Purdah' soon after in the run up to the local council elections.

I am copying in Pippa Auger, Deputy Clerk into this email as she and I will have overall management responsibility at this end.

We very much look forward to working with you.

Kind regards,

Lisa
