There was a query whether granting the application may give rise to the land becoming brownfield and being capable of being developed in the future. However, the committee felt that other similar applications in this area had been approved by Waverley Borough Council and there were no material grounds for objecting. The committee voted to offer **no objection**.

WA/2024/01072 WOODLAND VIEW 9 CRITCHMERE HILL HASLEMERE GU27 1LS

The committee voted to offer **no objection** to this application on the condition that proper traffic management is put into place. The location is on the left-hand side of Critchmere Hill as you come down the slip road from the A287. It is a narrow road, used by coaches to the school, cars and pedestrians. There are concerns that vehicles delivering to the site or workmen parking will have a big impact on the safety of road users.

WA/2024/01263 STURT FAM BARN, STURT ROAD, HASLEMERE GU27 3SE

Ian Rhodes gave a short presentation to the committee on behalf of the Applicant. Outline permission for 5 dwellings has already been given for this site under WA/2023/00589 so this latest application is for the approval of the reserved matters (layout, appearance, scale and landscaping).

The committee was concerned about issues of ground water drainage and flooding, and Mr Rhodes was able to confirm that there is a condition under WA/2024/00589 regarding drainage. His client has already been impacted by flooding from run off surface water himself.

Mr Rhodes further advised that Stonewater/Thakeham (owner/developer) of Sturt Farm/Grasslands Close were asked to create the bellmouth access for the applicant. This work is underway as Stonewater/Thakeham needed to finish the footpaths either side of the access for their development. However, WBC is concerned that this is being done without planning permission because the outline pre-commencement conditions haven't been cleared. The work has only gone in by approximately 4 metres then stopped, but this has enabled the footpath to be completed.

The committee voted to offer **no objection** to this application.

WA/2024/01121 HASLEMERE LAWN TENNIS CLUB HASLEMERE TENNIS CLUB PAVILION, OLD HASLEMERE ROAD HASLEMERE GU27 2NN

The committee discussed this application at some length. It appears that the proposal would remove some of the free to use tennis courts, which are available to, and well used, by non-tennis club members.

The padel courts must be surrounded by glass wall ends and chain link sides, and as they are uncovered will also require floodlights. Whilst it is understood by the committee that this is a popular and fast growing sport, it voted to **object** to this application on the following grounds:

- The proposal will be visually out of keeping with the area and have a detrimental visual impact contrary to policy H6 of the Haslemere Neighbourhood Plan.
- The proposal will remove free outdoor leisure facilities available to residents without evidence that the existing use is no longer required contrary to policy LRC1 of the Local Plan Part 1.
- The increased resulting noise from the courts will impact on the residential amenity of occupants in neighbouring properties contrary to policy H6 of the Haslemere Neighbourhood Plan.
- The proposed floodlighting may cause light pollution impacting on the residential amenity of occupants in neighbouring properties contrary to policy H6 of the Haslemere Neighbourhood Plan.

WA/2024/01133 - 16-18 HIGH STREET HASLEMERE GU27 2HJ

The committee voted to **object** to this application as there is no parking provided contrary to WBC Parking guidelines.

85/24 HTC representation at Waverley Planning Committee
