#### **WA/2025/00500 HIGHWAYS LAND OUTSIDE THE VINTAGE STORE 9 JUNCTION PLACE HASLEMERE GU27 1LE**

The committee agreed to **object** to this application on the following grounds:

- Concern about further restriction of the sightlines for road users turning onto Wey Hill from Lion Mead. A lack of double yellow line marking along the extent of the highway from the chemist to the church encourage cars to park on the road, which already restricts the view.
- Concern about it being an obstruction for pedestrians, particularly those with prams or wheelchairs, and the partially sighted.
- Concern about it not being in keeping with the street scene.

#### **43/25 HTC representation at Waverley Planning Committee**

Cllr Weldon would like to speak against application WA/2025/00500 should this application come before the Western Planning Committee.

#### **44/25 Decisions and Appeals**

The list was noted.

#### **45/25 Highways Update**

Cllr Robini gave the following highways updates:-

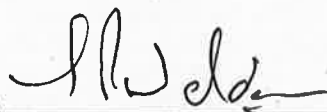

- 1) Funding has been set aside to resurface Lower Street
- 2) Funding has been set aside to repave the eastern part of the High Street
- 3) The proposed widening of the junction of Critchmere Lane with the Hindhead Road cannot go ahead. The scheme requires the gifting of land from several residents, and one wants a compensation payment which Surrey are unable to pay.
