

HASLEMERE TOWN COUNCIL

Council Chamber Window Replacement (South) Project

Background:

It has been identified that the South facing Council Chamber window is in a very poor state of repair. This window has been repaired several times before but is now showing lots of rotten wood again and is beyond just a repair job.

Quotes sought:

Quotes have been sought from:

Quotes received:

SUPPLIER	QUOTE (EX VAT)
Neil White Joinery – Visited and quoted.	£3,024.00
RELM Bespoke Carpentry Ltd – Didn't visit.	Email – Beyond their scope of work.
Monks Property Solutions – Visited No quote.	Email – Not prepared to quote unless an extensive survey done first.
Aspect Property Solutions – Visited No quote.	Jody Alexander visited but despite numerous attempts by MW. No response at all.
Clayton Carpentry – Viewed out of office hours. No quote.	Kyle Clayton visited but despite numerous attempts by MW. Has failed to quote.
RBS Contracts Ltd – Visited – Unable to quote.	RBS have tried to get a carpentry contractor involved but had no success.

Despite the number of quotes requested, only one quote has been received. This is from the carpenter who recently replaced the windows in both the Town Clerk's Office and town hall kitchen. His workmanship was excellent and we have no qualms around using him again.

RECOMMENDED:

That the Town Clerk is instructed to contract Neil White Joinery to carry out the Council Chamber Window Replacement as soon as possible.
