WA/2025/02265 LAND COORDINATES 487505 133650 WOOLMER HILL ROAD, HASLEMERE

The committee discussed this application to erect a temporary construction and welfare compound to support the infrastructure works at the Haslemere Sewage Treatment Works. Councillors offered no objection on the basis that it supported necessary works and was of a temporary nature.

WA/2025/02244 LAND OPPOSITE GLEN LEA, NUTCOMBE LANE, HINDHEAD

Councillors held a brief discussion regarding the application. No objections were raised, as although the site lies within the Green Belt and on agricultural land, the proposed stable block is considered an appropriate use that aligns with the rural character of the area. The Council resolved to offer no objection.

WA/2025/02320 4 SUN BROW HASLEMERE GU27 2QP

There was concern about this application as it looked very much to be a scaled down new dwelling, however Councillors voted to offer no objection subject to it remaining ancillary to the main dwelling.

147/25 HTC representation at Waverley Planning Committee

None.

148/25 Highways Update

Cllr Carter raised two issues with the A287 Hindhead Road.

- 1) The road surface from the mini roundabouts at Hindhead for about three quarters of a mile has degraded. There has been a lot of work undertaken by the utility companies over the last few years and it has not been re-laid to a high standard.

2) The pavement along the same stretch of road is now covered in leaves and needs to be cleaned as pedestrians and cyclists are now walking or riding on the road, which causes traffic to slow.

ACTION: The clerk to report the issues online and email Cllr John Robini to ask him to get this looked at by Surrey Highways.
