Dear Mrs O'Sullivan

I hope you are keeping well.

You will have received an email this morning from CCLA's Chief Executive, Peter Hugh Smith, regarding a change to our corporate ownership. If you haven't received the email, please check your junk mail folder. For ease, I have also copied Peter's email below along with some questions we anticipate clients may ask clients initially.

This is the conclusion of a process that has taken many months and has been undertaken to position CCLA for the future so that as a company we can continue to offer our clients the best possible investment products, services and support.

It is incredibly important to all at CCLA that it remains business as usual and we do not expect this news to affect our clients or staff in a negative way. Quite to the contrary, we believe this will be a very positive move forward for the business.

I appreciate that this is a significant change to CCLA and that you may have some questions. If you would like to discuss this news further, please contact either myself or Jamie.

Kind regards

Lee Jagger Jamie Charters

Against the backdrop of greater regulation, CCLA has for some time been considering the governance implications of its shares being majority-owned by the funds it manages and how we can continue to best serve our clients.

Having reviewed the full range of possibilities and options available to us, that process is now concluded. We are very pleased to share with you that, subject to regulatory approval, CCLA is being acquired by Jupiter Investment Management Group Limited (Jupiter), a leading European investment manager.

We believe that this partnership delivers the best outcome for CCLA's clients. CCLA will become part of Jupiter, retaining the CCLA branding, investment, and client service approach. CCLA's teams will continue to focus on delivering investment returns and outstanding client service to all CCLA clients regardless of their size. CCLA also retains its mission, its stewardship activities, and its drive to build a better world.

At the same time, we stand to benefit from Jupiter's strength and resources. Its market-leading investment capabilities, including its 100-plus investment professionals, will add support to CCLA's existing investment team and product range. Jupiter's extensive distribution capacity both within the UK and abroad will help to facilitate CCLA's future growth, paving the way for us to expand into new markets.

We are excited about becoming a part of Jupiter as it secures our ability to serve the sectors we were established to support and to extend the reach of CCLA's responsible investment approach to a wider audience both in the UK and overseas. We are also pleased to be joining a company that shares our culture and puts the wellbeing of its staff at the centre of its business.

We recognise that many of our clients and supporters will have questions about what this means for their investments and for CCLA. To help address these queries, we would like to invite you to a webinar we plan to hold in September where Peter Hugh Smith, CCLA's CEO, and Matt Beesley, Jupiter's CEO, will discuss the new partnership and what this means for our clients, our staff and the sectors we serve. An invitation will be sent to you in due course.

At CCLA, we have always been proud of our origins in serving churches, charities and local authorities. Serving those who serve others is both humbling and rewarding. We cherish the trust our clients have placed in us and while we look back with gratitude at the last six decades, we look forward with heightened ambition and renewed confidence to all that we will help our clients achieve in the years to come.
