PROJECT DETAILS

Description of Project	Outdoor Furniture – (100% recycled plastic material guaranteed maintenance free for 25years. Each table recycles 11,200 2 litre plastic bottles)
What aspect of the project will grant money be used for. Please be as specific as possible and use a separate sheet if necessary..	Outdoor seating: Much of our existing wooden furniture is sadly beyond repair, and new outdoor seating would make a huge difference—providing a more comfortable and welcoming space for members, guests, and community events, especially during the warmer months. We are trying to host as many events as possible to raise much needed funds in general for the club and new outdoor furniture would help immensely.
What benefits for the Haslemere community do you expect will result from the project?	New outdoor seating would greatly enhance the comfort and appeal of our outside area, creating a more welcoming environment for everyone. This improvement would, in turn, encourage new members and guests to make greater use of the facilities here at Hindhead RBL.
Scheduled project start and finish date	Summer 2025
