Pippa,

At the July meeting the planning Committee agreed that it would support an application for Nicols Field to be designated as a Local Green Space (item 89/25 of the minutes) . I have now submitted an application to Waverley for this designation as per the attached.

I would be most grateful if HTC would endorse this application but please let me know if there is anything further you will require.

Kind regards

Julian

Further to the advice I received per my correspondence with planning (please see attached emails) I am now attaching a submission for the designation of Nicols Field in Beacon Hill as a POS /Local Green Space in accordance with Policy DM19 of the existing Local Plan Part 2.

Attached are:

I hope these are sufficient for you to give proper consideration to this submission but please let me know if you require further details.

I would be grateful if you would also acknowledge receipt of this submission.

Dear Councillors

WBC Cllr Spence has asked if we will support an application for Nicols Field to be designated as a Green Space. His application has been made but he would like us to endorse it. It may be put on the next planning agenda to do so.

Presumably that makes it more difficult to develop?
